Ms. Maria Gonzalez will be the AP over graduation, including tickets to graduation. Mr. Mendez said he is looking forward to working with 2021's Project Senior group.

Rikki Blessing gave an overview of the Zoom call agenda and highlighted the benefits of "Why Volunteer?" She introduced the board members and talked about the open positions.

Julie Puccio gave a review of last year's "Senior Sunset", which was organized in lieu of Project Prom, due to COVID. She explained that students rode in decorated cars and enjoyed music with a DJ, Teachers lined up to greet them, as well as individual student banners for every senior.

Kathleen Satterfield reviewed her role as secretary. She pointed out that minutes can be found on the LCHSProjectProm.com website. Inquiries may be made to the general email address at:

Elaine Wyrick gave the Treasurer's report. We have about \$1,800 starting balance. Our goal is \$20,000 after expenses to support Senior Sunset. Last year they spent \$26,000, but that is because they had already raised that much, with the intention of raising much more for the after-prom event. PayPal is set up and more pay options will be coming. Elaine urged people to link their Kroger rewards cards. Pam Vacek said our Project Prom Rewards # is 84364. If you call 800-576-4377, select option #4 to link card.

Rikki Blessing went over "Lobo Bucks", explaining that parents can earn points for their students to put towards chances to win prizes at the sunset parade. Students need to attend parade to win prizes. If they are unable to attend, they may give their points to another Lobo Senior. Rikki reviewed membership options.

Julie Puccio said we really need Fundraising Chair & Co-Chair & said Kyra just volunteered! Julie said King of the Court & Kickball will still happen, but we are moving these events to the spring.

Kathleen Satterfield asked about the Loteria event. Mr Mendez explained that it is a Mexican Bingo game. He mentioned that Dr. Martinez is more familiar with it. Last year the event was going to be held at a church, but was cancelled, due to COVID.

Rikki reiterated open chair positions, thanked everyone for coming and closed the meeting at 7:55pm.
